ASSOCIATION FOR PROMOTING THE PRACTICE OF VIRTUE AND RELIGION.

IN the Month of October 1792, a few Gentlemen as well Laity as Clergy, zealous for their Country's welfare, and contemplating with concern the spreading influence of Dissipation, Immorality and Irreligion, associated for the purpose of uniting their humble Endeavours to arrest the baneful Progress of these most serious national Evils, and of exciting by their Example an emulation in others to restore in some measure the Practice of true Religion and Virtue, the only Means of ensuring the eternal Happiness of Mankind; the Pillars on which every Civil Establishment should rest, and on which alone they can depend for perfection and stability.

They meet every Thursday at No. 7, Capel-street, and there attentively consider and discuss such Matters principally as relate to the following important Subjects, viz. The religious Education of the rising Generation by Parents, Schoolmasters and others. The best Means of promoting a regular and conscientious Attendance on public Worship and the Holy Communion, and a due observance of the Lord's Day. How most effectually to recommend and restore the Practice of Family Prayer. How to restrain profane Swearing and Cursing, and to guard against the horrid Crime of Perjury. What may be the best Means of promoting Honesty and Industry, and discouraging Idleness in the lower Classes, and of preventing and discountenancing Intemperance, Dissipation and ruinous Extravagance in the upper Classes of the Community; and in a Word, whatever may contribute to the temporal as well as the eternal welfare of Mankind.

Concerning further Particulars, enquiries will be answered at Mr. Wm. Watfon's, Secretary, No. 7, Capel-street.

THE CHARITABLE LOAN.

THE Governors of the Charitable Musical Society, incorporated by Act of Parliament in 1780, for lending out Money, Interest free, to Indigent Tradesmen, meet in St. Andrew's Vestry-Room every Wednesday, to lend not less than Two Pounds, nor more than Five, to any one Person at one Time, which Sums are to be repaid at Sixpence in the pound weekly. Proper Objects of this Charity must apply by a Certificate printed by Mr. William Watfon and Son, No. 7, Capel-street. Since March 1780, 2740 Persons have been relieved, whose Families amounted to 13,382, and the Sum lent 10,474 Pounds.

is under the controul of a Board of Governors, who meet the first Friday in every Month. The attending Physicians are the six medical Professors of the University, one of whom visits every Day.

During the Winter Season, the Expence of a certain Number of Beds is defrayed by the College of Physicians, from the Funds appropriated by the late Sir PATRICK DUNN, for establishing a School of Physic in this Kingdom: All the Beds above this limited Number which the Hospital is capable of containing, must remain vacant and useles during the Winter, and the whole of them during the Summer, except they be supported by public contribution or by subscription. A Subscriber of ten Guineas annually, or of one hundred Pounds, is entitled to keep one Bed constantly full, and in Case of vacancy in other Beds, a preference is always given to any of his extraordinary recommendations. Every two Guinea Subscription entitles to one recommendation; and Attention is paid to their extra-recommendation, as to those of Annual or Life Subscribers.
